

Dickens Heath, Solihull

Affordable Rent

- 8 x 1 bed apartment
- 6 x 1 bed maisonettes
- 10 x 2 bed houses
- 5 x 3 bed houses
- 4 x 4 bed houses

Shared Ownership

- 1 x 1 bed apartment
- 11 x 2 bed houses
- 6 x 3 bed houses

A development of much needed affordable, energy efficient housing in a village location. The larger development includes homes for outright sale and the variety of tenure gives local residents an opportunity to get onto the property ladder or to move to properties that can meet their changing family needs, while remaining within their existing community.

There has been a phased handover of properties from April 2016 to February 2017.
