

# City Wharf Foleshill Coventry

## Affordable Rent:

6 x 2 bed apartments

5 x 3 bed houses

2 x 6 bed houses

City Wharf is a canal side development built on a brownfield site formerly used by Coventry City Council as a depot for their City Engineers.

These much needed affordable homes form only one part of the wider site. The houses and apartments have been built to a high standard and offer local residents the opportunity to move to modern, energy efficient homes that meet their changing family needs.

There has been a phased handover of properties from March to May 2017.
