

Wilsons Lane, Coventry

2 x 2 bed houses
2 x 3 bed houses
2 x 4 bed houses

A small infill development of family housing situated in an established area in Longford, Coventry.

These stylish properties provide families with modern, energy efficient homes on the newly built Stonebridge estate.

The estate is located in a popular residential area close to motorway networks and all the facilities of the Ricoh Arena.

The development was completed and handed over on 29th January 2016.
